Participants are required to attend **each** scheduled program event and day, arriving promptly and staying for the duration of the program day or event. For planning purposes, assume that each program day will run from 7:00 am until 7:00 pm (actual times may vary slightly, depending on the events scheduled for that day). Other approximate event times are listed above.

During your Leadership Brentwood year, your class will be divided into small groups to create and complete a small group project. Project groups require a time commitment in addition to the program days; projects are expected to be completed prior to graduation and presented at the graduation ceremony. Please consider the time commitment prior to submitting your application. Absenteeism from a program day or event, any portion of a program day or event, or failure to participate fully in the small group project could result in being dropped from the program.

The success of Leadership Brentwood is greatly dependent on involvement by alumni, since it is substantially a volunteer-based organization. Class members will be expected to plan the following year's program days, and some class members will be elected to serve as members of the Steering Board. If elected to the Steering Board, full participation at its monthly luncheon meetings is required; please note that participation is a two-year commitment.

If you would like to discuss any aspect of the program, including the program days, the time commitment or the small group project, please call Lynn Tucker at (615) 771-1912 lynn@williamsonchamber.com and she will put you in touch with Leadership Brentwood alumni. Additional information can be found on our website at www.LeadershipBrentwood.com.

I understand the commitments of the program and, if selected, will fulfill the attendance and participation commitment. I understand that the \$600 class tuition is due upon acceptance into the program. (For information on scholarship assistance, contact Lynn Tucker.)
